dangerous. My company, The Miami Herald, once had a program based around a cartoon character named "Safety Bear." Safety Bear appeared on educational posters, giving us helpful tips like: "Don't drop heavy metal objects on your foot!" and "Don't fall on your head from a great height!" After a couple of weeks of exposure to Safety Bear, most of us were looking for ways to have industrial accidents.

**POINT FOUR:** If you have an appointment to see a doctor, and you have to wait for more than 30 minutes, then you get to give the doctor a shot.

**POINT FIVE:** There should be some reading matter in the waiting room besides an issue of Sports Illustrated devoted to the question of who will win the 1987 Super Bowl.

**POINT SIX:** The term "reading matter" does not exclude the swimsuit issue.

**POINT SEVEN:** There needs to be a LOT more research on these worms.
